Serve, Donate, Text (Text?): Many Ways to Give

Our work would not be possible without you.

From a ninth grade class assembling two hundred care packages for the homeless, to forty individuals contributing \$10,000 at a recent silent auction, to the Museum of Life and Science donating twenty admissions passes for our homeless clients, there are countless ways that you support our work, for which we are ever thankful.

A Letter of Resignation, After Twenty Years of Service

For twenty years, Isabel Green has been a part of the fabric of Housing for New Hope.

From being a founding board member, to creating beautiful banners representing our work, to assembling eleven scrapbooks of our history, to being our event photographer, Isabel has contributed to the life of Housing for New Hope in so many ways.

Recently, Isabel informed us that she needed to retire from her position of Housing for New Hope's volunteer historian and documentarian.

Here is an excerpt of a letter that Isabel shared with us at her retirement party, which took place on November 12, at our Williams Square Apartments...

Dear Terry,

I have attempted several times to write this letter to you. I kept postponing, I know, simply because I did not want to. But I must.

I DO NOT WANT TO GIVE THIS UP. Except for my beloved family, my being a part of Housing for New Hope has been the most rewarding time of my life. Working with you, Terry, and with the other fine members of Housing for New Hope that I have come to know through the years, has been a warm, enjoyable, meaningful experience. I am so grateful that Housing for New Hope has been a special part of my life...

I am grateful, too, for the many residents that I have been privileged to watch as they graduate to a new and better life... I am very proud to have been a small part of such important, life-changing achievements...

Isabel
